

The SpelHouse homecoming is an annual event hosted by two historically black colleges in Atlanta, Morehouse College, founded in 1867 and Spelman College founded in 1881. Both institutions leverage their rich history to gather students, alumni and guests. Brand visibility has the potential of reaching over 15,000 in a single day.

Become a part of the excitement and make a meaningful impact during SpelHouse homecoming weekend through our diverse sponsorship opportunities. Your support helps us create an unforgettable experience. Choose the sponsorship tier that aligns with your vision, goals, and generosity:
